PROGRAM

10th Sep: Pick-up from airport or hotel and transfer to M.V Liberty at the Marina. Check in, boat orientation and trip briefing.

11th Sep: Liberty disembarks with all aboard. We go for a quick check dive and then head straight out to Abu Nahas for a quick investigational dive at 60m or alternatively shallow wreck dives

12th Sep: We dive the wonderful Rosalie Muller and Thistlegorm!

13th Sep: On our way to Brothers Islands, we will stop by amazing Hurghada and experience the beauty of Carless Reef and other nearby sites

14th Sep: WAKE UP!!! YOU ARE AT THE BROTHERS!!! The Aida II and Numidia await you at depths of 50m and 75m respectively. We will also stay for a total 2 days at these Islands hoping for shark sightings. The most amazing opportunities await recreational divers.

16th Sep: WAKE UP!!! You are at the Salem Express! Enjoy this amazing wreck dive before heading back to Hurghada to enjoy either the "Secret Black Coral Garden" at 55m and ending at a 47m deep reef tunnel which is packed with life. Exiting the tunnel just before you deco time.

For recreational divers; take a scooter and enjoy a 3km long dive along the amazing vertical drop-off of Giftun Island

We will enter port roughly at 2pm after completing our dives.

17th Sep: Check out, souvenir shopping in Liberty's on board gift shop and transfer back to hotel or airport.

Learn with Jari

On this trip Jari will be teaching a JJ CCR class! Join the class or just watch and learn. Either way, you are a winner!
